

HP OfficeJet Pro 9730 Wide Format All-in-One Printer

Print like you mean business.

Wide-format printing designed for teams that demand precision and scale. Print and scan up to A3 with the world's first wide-format printer with P3 color. Enjoy lab-tested reliability, certified to deliver consistent, jam-free printing.^{1,5}

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: <http://www.hp.com/learn/ds>
